## EXPERIENCE

**Web Services LLC** Led development of AdStat, utilizing Laravel, MySQL, MongoDB, JavaScript, jQuery, HTML and CSS; versioned in Git.  
*Full Stack Web Developer*  
June 2014 - Oct 2015

Updated and optimized existing projects in PHP MVC frameworks including Laravel, Code Igniter, and CakePHP.

Assisted clients with various updates and changes to their websites, including WordPress, Magento, Drupal and custom built web apps.

Maintained LAMP stack on a CentOS dedicated private server receiving anywhere from 10,000 to 1,000,000 daily requests.

**Digital Canvas Design LLC** Develops and manages hosting environment on custom VPS using LEMP / LAMP stacks to serve a variety of projects including custom web applications, WordPress, Drupal, Magento and static websites.  
*Full Stack Developer*  
Jan 2014 - Present

*Freelancer* Independent Web Consultation for clients and small businesses on custom designed web applications built in PHP + MySQL including eCommerce, custom MVC and pre-built CMSs, and static websites.  
Aug 2008 - Dec 2013

Constructed sites for clients with varying complexity, from simple static HTML + CSS websites, to custom built solutions using PHP + MySQL.

Utilized existing web technologies including WordPress and Drupal for small businesses websites and artist portfolios.

**Ace Printing & Graphics** Designed and created graphics for banners, billboards, logos, and websites while communicating with clients to create projects from concept to finished, printed works.  
*Graphic Designer*  
May 2011 - Dec 2013

Built six custom computers, three to serve as state of the art graphic editing stations, two print servers and one accounting station.

**Florida Sea Grant** Collaborated on a small team authoring a PHP based interactive survey using the Google Maps API to gather PhD thesis research data on the Sarasota Bay and the Ace Basin.  
*Web Developer*  
Summer 2012

**Student Game Day LLC** Conceptualized and designed the site UI/UX and branding. Developed and maintained the front end functionality of the website while collaborating with backend developers.  
*Web Developer / Designer*  
Aug 2008 - Dec 2010
